

Los Angeles County Municipal Storm Water Permit (Order 01-182)
2011-2012 Individual Annual Report Form – City of Bell
Attachment U-4

Individual Annual Report Section IV. Special Provisions Part D.3.- Development Construction Program

There were no public or private construction sites greater than one acre within the City requiring a Local Storm Water Pollution Prevention Plan (SWPPP). The City requires developers to submit a State SWPPP for the above activities and SUSMP for the project falling into Part A or B. All projects with any grading activities must develop and implement a BMPs plan designed to minimize the transport of sediment or any construction related pollutants. Projects less than one acre must provide a wet weather erosion & sediment control plans. It is noted that there are no environmentally sensitive areas or hillside areas located within the City's jurisdiction.
